

Daniel Mateo Fano

BORN LEADER INVESTING IN EDUCATION

Bilingual and dedicated worker with experience helping various charities via the Boy Scouts of America projects, Saint Vincent de Paul Food Pantry, Ronald McDonald House, Children's Advocacy Center, and Helping Hands. Honored to have held various leadership positions within the Boy Scouts of America, lacrosse and intramural sports. Eager to take on new challenges and make a positive impact for my employer and the world.

TWIC card in hand and ready to work on or offshore.

Experience

ONEOK Pipeline Summer worker

2024

- All-around pipeline work experience, where I did every kind of job on the site that I was certified to do, such as pushing a pig, filling the red dye tankers, replacing filters, draining water, mowing, pressure washing, painting, testing samples, repairing concrete, swapping which tanks go to the rack, and much more.

RHB Exploration & Production, LLC

2023-2024

- Current internship working on multiple rigs all throughout the production process. Shadowed Site Geologist, Rig Manager, Drilling Operator, Drilling Fluid Operator, and all roughneck positions. Gained practical experience with reading zone maps, log graphs, site planning, logging and lithology. Tested collected samples using MainLog, created annotated graphs and analyzed data.

Wilcox Truck Sales, Inc

2023

- Cleaning and basic repair on industrial trucks for rental and resale.

Engineering Clubs and Project

2021-2023

- 2 person team created an autonomous hydrogen fuel cell scale vehicle.
- Women in Petroleum Geoscience Engineering (WPGE), Society of Petroleum Engineers, Society of Hispanic Professional Engineers. (SHPE)

Eagle Scout Project

2020-2021

- Designed, managed, and constructed an all-inclusive playground to OSHA Standards with wheelchair access for the Children's Advocacy Center of Benton County.

Competitive HS & Club Lacrosse

2010-2021

- Team Leader and Conference leading Midfielder: 2019-2021
- D1 offer to play lacrosse
